Dear Ms. Norton:

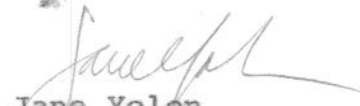

Topliner, a paperback house in England, is interested in reprinting the Gollancz edition of ZOO 2000 in which your story "All Cats Are Gray" is included.

I hope that you will grant me permission to extend the British market rights to include the paperback edition on a non-exclusive basis.

If you will grant permission, please sign one copy of this letter and return it to me in the stamped addressed envelope enclosed.

Thank you.

Sincerely,

Jane Yolen
