Dear Andre:

I'm writing to invite you into a very special anthology, edited by Steven H. Silver and myself, and to be published by DAW Books.

We're putting together an anthology tentatively titled *Magical Beginnings*, which will collect the first published short stories by famous fantasy authors, and we would like to include your first story. We would also like to get a brief essay on how this story came about, and any thoughts you may have about it now. If you choose to participate, your essay would be due by April 1st, 2001. We can offer you \$250.00 as an advance for your story and your essay against our usual 50% share of royalties to be split evenly among the authors.

We hope you will join us in this landmark collection. Please use the enclosed postcard for your reply, or e-mail us at jhelpers@attglobal.net. We look forward to seeing you in the book.

With best wishes for Happy Holidays,
