Dear Andre:

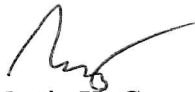

I hope this finds you well. I would like to invite you to contribute a story to *Historical Hauntings* (working title), edited by Jean Rabe and myself, to be published by Daw Books in the year 2001.

Ghost stories have been around for centuries, but what would cause the ghosts of famous people to come back from the netherworld. Would General Patton take the field to wage war against America's enemies? What would the spirits of Jesse and Frank James do against modern banks? Would the spirit of Martin Luther King, Jr. continue his work through a new disciple?

We're looking for ghost stories, spooky, humorous, poignant or otherwise, from 3,000 - 7,000 words in length. They should come to me at the above address and need to arrive by May 1st, 2000. Payment is \$0.06/word against our standard share of fifty percent of future earnings (the fifty percent share allocated to contributors will be distributed in proportion to the number of stories in the book).

Please use the enclosed post card for your reply. We're looking forward to seeing you in the book.

All best,

Martin H. Greenberg
