Dear Ms. Zierhut,

Thank you for your gracious letter. I appreciate the time and effort you took to write.

Please do keep me in mind for a second zodiac anthology and for any other project -- I am working on the "name writer" requirement that so often frameworks these kinds of publishing ventures. I am confident I'll eventually achieve that status.

Should I come to Winter Park, I would most definitely call. Thank you for the invitation. Please call if you are ever in New Mexico -- it would be a pleasure to show you around.

Aquarians are always welcome on my Libra planet.

Sincerely,

lou
