Dear Ms. Norton:

Recently it has come to my attention from Ardath Mayhar, that you are planning an anthology which is Astrologically based. Since I have studied this particular field for several years, and have also spent quite a few on serious writing projects, I would like to send a piece for your consideration, and request that you supply me with any necessary information for referance purposes. I feel that both my knowledge and talents are an asset, and would like the chance to correspond with you.

I thank you in advance for your time,

Sincerely,

A handwritten signature in cursive script that reads "Charlotte Ann Jones". The signature is written in dark ink and is positioned above the typed name.
